Subject: Final check on Redevelopment List

Regional SF DDs,

Attached please find, **for one final review**, the latest version of the List of Superfund Sites with the Most Redevelopment Potential. We have previously shared this list with you as well as your staff, and have asked for all comments by COB tomorrow, 1/3/18. We have already received a number of comments, and have updated the list based on Regional requests. We would like to stick with the deadline of COB tomorrow, Wednesday, 1/3/18, for any additional comments, including this final review, and ask that you please provide any comments you might have to Frank Avvisato by COB 1/3/18. Thanks - Dana
